CCPA Friends and Family,

It is with deep regret and a heavy heart that I must announce that after the conclusion of our Spring 2017 Term, CCPA will be closing its doors. This journey began as an emotional following of God's voice and that is how it also ends. We love what we do here and the impact we have been able to make in the lives of the children and their families in the surrounding community. However, we can simply no longer bear the financial burden.

It has been our extreme honor to serve the students and families here at CCPA. It has brought us so much joy each day and our hearts are heavy knowing we will be saying goodbye to all of you and to our incredible staff.

You can be assured that our business will run as usual through the rest of term. We will celebrate a fantastic Pre-K Book Launch Party on April 13th, Field Day the last week of school, Kindergarten graduation ceremony and Awards Day on Thursday, May 25th.

This decision was not an easy one to make and one that we fought for a long time. Thank you for your support of our educational endeavor and we wish your family continued success in all that you do.

We are looking forward to the next door that God opens for all us as He closes this one.

Sincerely,
